

## WHITE WINE BY THE GLASS

### **Hacienda Lopez de Haro Blanco, Rioja, Spain - 6.90 per glass**

Juicy pear and citrus fruits, hints of spice and a rich buttery palate are the result of short skin contact time and the combined use of French and American oak. White Rioja, made from Viura grape is an old classic, but this contemporary expression will get your taste buds salivating.

### **Azevedo, Vinho Verde, Portugal - 7.90 per glass**

Super fresh and bright with lots of citrus fruit, a great alternative to Sauvignon Blanc. A perfectly aperitif, but if you're so inclined try this with our house salad. Made from local grapes Loureiro and Alvarinho This is a fantastic Portuguese white perfect for almost any occasion.

### **Janare, Falanghina del Sannio, Campania, Italy - 8.90 per glass**

Falanghina is an ancient Italian white grape. It is also said that Falanghina is the grape variety behind Falernian, the most famous wine of Roman antiquity. Fresh, fruit and expressive with tropical fruits and summer flowers on the nose and hints of almonds. An exciting alternative to Pinot Grigio.

### **Lyrarakis 'Voila' Assyrtiko, Crete - 9.50 per glass**

A Cretan wine to stop you in your tracks; floral aromas and ripe citrus, with hints of ginger and spice rounding off the rich palate. Perfect for the Chardonnay drinker looking for something a bit different. Produced by a family owned vineyard that prioritises indigenous Greek grapes and biodiverse conditions. 100% Assyrtiko grape.

### **Maximin Grünhaus `Maximin`, Mosel Riesling, Germany - 10 per glass**

For those who look for a tiny touch of sweetness in their wines, this German Riesling provides the perfect off dry experience. Packing serious amounts of fresh tropical and citrus fruit, with wonderfully integrated acidity lifts and a slight natural effervescence creates a must-try Riesling.

### **Pazo San Mauro, Albarino, Rias Baixas, Spain - 12 per glass**

When you choose a wine made with 100% Albarino you are guaranteed a top-quality product and this example is no exception! It presents itself with great fruit purity and light green vegetal notes rounded out with perfect acid and rich minerality.

## RED WINE BY THE GLASS

### **Quinta Bon Ventos, Portugal - 6.90 per glass**

An elegant blend of four grape varieties create a silky red that pours a deep ruby colour and offers aromas of black cherry, tobacco, and vanilla. The palate is well balanced and medium weight with a flavourful mix of sweet Cassis, earth, leather, and tart cherry followed by a medium length, lightly spiced, finish.

### **Castaña Organic Monastrell, Spain - 7.50 per glass**

This 100% Monastrell is farmed organically meaning no pesticides or other agrochemicals were used in the production. This is a silky smooth red wine bursting at the seams with fresh fruit like black cherries and plums. Fantastically balanced and perfectly approachable.

### **Kaiken Terroir Series Vistaflores Malbec Blend, Argentina - 8.50 per glass**

A deep brilliant purplish red colour, this wine has fruit notes of plums and spices such as thyme. The palate displays the silky character of Malbec framed by the structure and freshness of Petit Verdot. The finish reveals interesting notes of fresh fruit from the Bonarda grape.

### **Zenato, Bardolino, Italy - 9.50 per glass**

Light and full of flavour with intense blackberry fruits, tangy cherries and with a clean pure finish. Located on the southern shores of Lake Garda, this is made from the same grapes and in the same style as Valpolicella. Delish served slightly chilled!

### **Les Deux Cols, Côtes du Rhône 'Alizé', France - 10 per glass**

This balanced Cotes-du-Rhone combines 55% Grenache, 35% Syrah and 10% Cinsault for a delightful blend of moderate tannins and plenty of concentrated red and black fruit flavours. Cherries, cranberries and blackberries, along with a delicate peppery note and a juicy acidity, make it a very versatile glass.

### **Le Grappin Beaujolais Villages, Burgundy, France *limited edition* - 12.50 per glass**

Pressed and aged on lees in old Burgundy barrels for four months. Bright fruited & juicy, with a vibrant, aromatic, floral nose. Medium weight in the mouth with smooth, fresh tannins with a zippy, long finish. The really interesting thing about this wine is actually its packaging, with the magnum variant being sold in a foil bag rather humorously called the "bagnum".
